

125 "Regolarità"

Years raced: 1963 – 1966

With this motorcycle MV Agusta resumed official participation in Off-Road racing led by Dante Mattioli of the "Fiamme Oro". Using the "centomila" engine with adequate development and a new 5-speed gearbox, the bike was prepared for a specific type of race. The positive results obtained and the interest of fans give the incentive in 1965 to produce a limited run of bikes for private riders.
